

Argentine HSC Donors Registry

QUICK REFERENCE

Ministerio de Salud
Presidencia de la Nación

INSTITUTIONAL INFORMATION

The Argentine HSC Donors Registry has been created in 2003 to enable cell transplantation with unrelated donors in Argentina and worldwide. It operates under the leadership of INCUCAI - Ministry of Health - National entity that supervises Organ, Tissue and Cells Donation. All funding for the registry comes from the government. The Registry recruits their donors through blood banks.

(1) For reciprocity reasons, Registries that do not require activation fee to the Argentine HSC Donor Registry, will be exempt of payment.

(2) Does not include sample shipment

(3) The Argentine HSC Donors Registry doesn't have a serum bank, so for typing options requests, blood sample procurement will be charged plus shipment to typing lab. in the USA.

(4) We do not provide courier service.
