

Patient registration for donor search

LIST OF DIAGNOSIS

CR: Complete Remission / PR: Partial remission / R: Relapse

- | | |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p>1. Bone Marrow Failure Syndrome - BMFS</p> <p>1.1. Severe Aplastic Anemia</p> <p>1.2. Secondary Bone Marrow Failure</p> <p>1.2.1. post Hepatitis</p> <p>1.2.2. post medical treatment</p> <p>1.2.3. Toxic</p> <p>1.2.4. Other (specify)</p> <p>1.3. Paroxysmal Nocturnal Hemoglobinuria (PNH)</p> <p>1.4. Fanconi Anemia</p> <p>1.5. Other constitutional Bone Marrow Failure</p> <p>1.6. Other NON constitutional Bone Marrow Failure (specify)</p> <p>2. Red Blood Cell Diseases</p> <p>2.1. Sickle cell disease</p> <p>2.2. Thalassemia</p> <p>2.3. Other (specify)</p> <p>3. Acute Lymphoblastic Leukemia - ALL</p> <p>3.1. Complete Remission (specify)</p> <p>3.1.1. 1 CR / 3.1.2. 2 CR / 3.1.3. 3 CR / 3.1.4. Other CR</p> <p>3.2. In progression / Relapse (specify)</p> <p>3.2.1. 1 R / 3.2.2. 2 R / 3.2.3. 3 R / 3.2.4. Other R</p> <p>3.3. Refractory disease</p> <p>4. Acute Myeloblastic Leukemia - AML</p> <p>4.1. Type of AML (FAB M1 to M7, specify)</p> <p>4.1.1. 1 CR / 4.1.2. 2 CR / 4.1.3. 3 CR / 4.1.4. Other RC</p> <p>4.2. Relapse (specify)</p> <p>4.2.1. 1 R / 4.2.2. 2 R / 4.2.3. 3 R / 4.2.4. Other R</p> <p>4.3. Secondary to (specify)</p> <p>4.3.1. Solid tumor</p> <p>4.3.2. Hematological disease</p> <p>4.3.3. Other (specify)</p> <p>4.4. Refractory disease</p> <p>5. Chronic Myelocytic Leukemia - CML</p> <p>5.1. Chronic Phase</p> <p>5.2. Accelerated Phase</p> <p>5.3. Blastic Phase</p> <p>6. Myelodysplastic Syndrome - MDS</p> <p>6.0. Myelodysplastic Syndrome, unspecified</p> <p>6.1. Refractory anemia with excess blasts (RAEB)</p> <p>6.2. Refractory anemia (RA)</p> <p>6.3. Chronic Myelomonocytic Leukemia (CMML)</p> <p>6.4. Acquired Idiopathic Sideroblastic Anemia (AISA)</p> <p>6.5. RAEB in transformation (RAEB-t)</p> <p>6.6. Other (specify)</p> <p>7. Lymphoplasmocytic Syndrome</p> <p>7.1. Multiple Myeloma</p> <p>7.1.1. Partial response (specify)</p> <p>7.1.1.1. 1 PR / 7.1.1.2. 2 PR / 7.1.1.3. 3 PR</p> <p>7.1.2. In progression / Relapse (specify)</p> <p>7.1.2.1. 1 R / 7.1.2.2. 2 R / 7.1.2.3. 3 R</p> <p>7.1.3. Complete Remission</p> <p>7.2. Plasma Cell Leukemia (PCL)</p> <p>7.3. Waldenstrom's macroglobulinemia</p> <p>7.4. CLL ≥ 2nd evolutive phase</p> <p>7.5. Other (specify)</p> | <p>8. Primary Constitutional Immunodeficiency</p> <p>8.1. Severe Combined Immunodeficiency (SCID)</p> <p>8.2. Combined Immunodeficiency</p> <p>8.3. Ommen's Syndrome</p> <p>8.4. Wiskott Aldrich Syndrome (WAS)</p> <p>8.5. Ataxia-Telangiectasia (A-T)</p> <p>8.6. Other (specify)</p> <p>9. Lymphoma</p> <p>9.1. Hodgkin's disease</p> <p>9.1.1. Partial response (precise)</p> <p>9.1.1.1. 1 PR / 9.1.1.2. 2 PR / 9.1.1.3. 3 PR</p> <p>9.1.2. In progression / Relapse (specify)</p> <p>9.1.2.1. 1 R / 9.1.2.2. 2 R / 9.1.2.3. 3 R</p> <p>9.1.3. Complete Remission</p> <p>9.2. Non Hodgkin Lymphoma</p> <p>9.2.1. Low grade Partial response (specify)</p> <p>9.2.1.1. 1 PR / 9.2.1.2. 2 PR / 9.2.1.3. 3 PR</p> <p>9.2.2. Low grade In progression / Relapse (specify)</p> <p>9.2.2.1. 1 R / 9.2.2.2. 2 R / 9.2.2.3. 3 R</p> <p>9.2.3. Low grade Complete Remission</p> <p>9.2.4. High grade Partial response (specify)</p> <p>9.2.4.1. 1 PR / 9.2.4.2. 2 PR / 9.2.4.3. 3 PR</p> <p>9.2.5. High grade In progression / Relapse (specify)</p> <p>9.2.5.1. 1 R / 9.2.5.2. 2 R / 9.2.5.3. 3 R</p> <p>9.2.6. High grade Complete Remission</p> <p>10. Constitutional Platelets Abnormalities</p> <p>10.1. Congenital Amegakaryocytic Thrombocytopenia</p> <p>10.2. Glanzmann Thrombasthenia</p> <p>10.3. Other (specify)</p> <p>11. Metabolic Disease</p> <p>11.1. Hurler's Syndrome</p> <p>11.2. Adrenoleukodystrophy</p> <p>11.3. Other (specify)</p> <p>12. Histiocytic Disorder</p> <p>12.1. Histiocytosis</p> <p>12.2. Familial Lymphohistiocytosis / Primary HLH</p> <p>12.3. Other (specify)</p> <p>13. Other malignant disease</p> <p>13.1. Primary Myelofibrosis</p> <p>13.2. Polycythemia Vera (PV)</p> <p>13.3. Essential Thrombocytosis</p> <p>13.4. Other (specify)</p> <p>14. Other NON malignant disease (specify)</p> <p>15. Other Leukemia (specify)</p> |
