### TO WHOM IT MAY CONCERN

### COURIER TRAVELLING FOR TRANSPORTING HUMAN STEM CELLS

**Pick-up Location (Collection Center):**

**Delivery Location (Transplant Center):**

**Name of Transplant Center Physician:**

**Name of the Courier:**

The above mentioned Courier is travelling today with the purpose of transporting a human blood stem cell product **urgently needed for transplant**, which is to be used for the provision of healthcare by the above Transplant Center.

**This is an urgent transport with the purpose of a life-saving bone marrow transplantation for a patient with a medical condition in need of an urgent transplant.**

**These kinds of travels are allowed under the exemption in Order 1242 E/2021 nº19, of January 2021 (Portugal), that allows people travelling for emergency medical reasons.**

Your cooperation and assistance in expediting the arrival of this product at its destination without delay would be highly appreciated.

In case of any questions regarding the transport of this product please contact either the physician at the Transplant Center, the Collection Center or the Portuguese Bone Marrow Donor Registry (CEDACE) whose contacts you may find below:
