

Operational Information ION-8256

November 2023:

1. Shipping donor's blood samples for confirmatory typing is possible to all countries of the world with the exception of Syria, Cuba and North Korea. Shipping times depend on the specific country receiving the parcel with blood samples.
2. Donor's medical examination at the stage of confirmatory typing is carried out in Russia.
3. Work-up and donor's product collection *:

a) performed in Russia if courier can deliver the donor's product from Russia to the transplant center;

b) performed outside Russia if courier is unable to deliver the donor's product from Russia to the transplant center.

* In each case the decision is made jointly with the requesting registry taking into account the specific situation.

Contacts for requesting centers: e-mail: karelianbmd.donation@yahoo.com; karelian.bmd@onego.ru
