

!!Action Required!!

The last weeks, the WMDA office tried to contact all BMDW listing organisations that

- have NOT responded to the survey "Moving to XML" last May
- have NOT requested an account for our BMDW data upload service for uploading their test XML file
- provided a test XML file before, but the quality/ structure of the file was NOT good enough

Unfortunately, we were not able to reach all organisations.

If you haven't been in contact with the WMDA office before on your status of moving to the XML format for data submission to BMDW, please contact us at your earliest convenience by sending an email to support@bmdw.org.

You can also contact us if you would like to get explanation on the requirements for an XML file or support from our ICT specialists. All information and requirements are described on the [BMDW data submission information pages](#).
