

Welcome to WMDA Share

More information regarding the update can be found here [Share update and upgrade](#)

WMDA Share is an online collaboration tool where the WMDA members collaborate and share knowledge. If you are a WMDA member, you have a WMDA Share account, with this account you are able to log in. As a WMDA member you will have access to the member access spaces, and if you are a working group members to the working group spaces. WMDA members, can create, share and discuss their files, ideas, minutes and projects with other members.

If you have questions related to the use of WMDA Share, please contact share@wmda.info
