Post-Transplant	
Subsequent donation policy	Eligible Canadian Blood Services Stem Cell Registry donors will only be able to donate a maximum of two hematopoietic stem cells, including any previous unrelated and/or related stem cell donations. Stem Cell Registry donors may make additional therapeutic donations such as leukocytes (DLI), however will be evaluated on a case-by-case basis.
Anonymous contact allowed	Canadian Blood Services Stem Cell Registry donors and recipients may exchange anonymous correspondence post-transplant. All correspondence will be screened by the Stem Cell Registry to maintain confidentiality.
Direct contact allowed	Yes, at the earliest 1 year post-transplant. Direct Contact between a Canadian Blood Services Stem Cell Registry donor and patient is not permitted until at least one year after the most recent donation. Due to the varying regulations of individual transplant centres the request may not be permitted, regardless of Canadian Blood Services Stem Cell Registry policies.
Gift exchange allowed	No
Cord blood contact allowed	No
