

D3.4 Webpages with information for organisations importing hematopoietic stem cells to EU Member States

Project details:

Project group:	Deliverable D3.4 (2019)		
Project group chair:	Esther Pustjens		
Project group members:			
Project office supporter:	Esther Pustjens and Lydia Foeken		
Project description:	Online resources setting out information and guidance for global registries that export stem cells to EU member states. This will include details of EU safety and quality regulations and the rationale underpinning them. It will also include practical support tools to support the efficient import of stem cells to EU member registries.		
Product:	Website		
Project status:	<ol style="list-style-type: none"> 1. Just started 2. In progress 3. In review 4. Closed 		
Start date:	January 2019	End date:	31 Dec 2019

Ongoing work:

Date	Task
next meeting	compare old and new questionnaire
	online resources = per country the online questionnaire
	Hoeveel landen hebben het ingevuld?

Project outcome:

Date	Product
