

D3.3 Event website World Marrow Donor Day 2019

Project details:

Project group:	Deliverable D3.3 (2019)		
Project group chair:	Monique Jöris		
Project group members:			
Project office supporter:	Esther Pustjens and Lydia Foeken		
Project description:	A dedicated website, hosted by WMDA, for World Marrow Donor Day (WMDD) 2019. This will include practical information relating to events to mark WMDD globally, as well as information and resources that support member registries to understand and promote the key theme of WMDD in 2019: the recruitment of donors for patients in areas of the world where demand is large and growing. The website will also serve as a forum to celebrate success.
