Organisation definitions

Organisation definitions

To facilitate the exchange of information and to improve business relations, WMDA provides access to contact data of organisations that are listing donors or cord blood products in the global database of Search & Match Service (formerly BMDW). The following information is available:

Organisation definitions	Data available	Maintained by appointed organisation profile administrator
DR Donor Registry Definitions as set out in WMDA Standards (version January 1, 2020): An organisation responsible for coordination of the search for hematopoietic stem cells from donors unrelated to the potential recipient. • The patient registry or requesting registry is the registry that acts on behalf of their transplant centres. • The donor registry or providing registry is the registry that provides the hematopoietic stem cell product.	• Contact details • Operational information • Regulatory survey* • Documents (e. g. price lists) • Personal data *only available for WMDA members after login*	• Personal data can be added or deleted by the organisation profile administrator by filling in a request form. The contact details are updated automatically from the WMDA address database. • The operational information, regulatory requirements information and (member) documents are updated by the organisation profile administrator

CBB Cord Blood Bank
 	
Definitions as set out in WMDA Standards (version January 1, 2020): A facility responsible for donor management and the collection, processing, testing, cryopreservation, storage, listing, reservation, release, and distribution of cord blood units.
	• Contact details
	• **If the CBB is a listing organisation the following data is also available:**
	  ◦ Cord Blood Bank survey
	  ◦ Documents (e.g. forms, price lists)
	  ◦ Personal data *only available for WMDA members after login*
		• Personal data can be added or deleted by the organisation profile administrator by filling in a request form. The contact details are updated automatically from the WMDA address database.
		• The (member) documents and cord blood bank operational and technical information are updated by the organisations.
		
		In case a cord blood bank is missing, it is possible to provide this information. Please contact the WMDA office (mail@wmda.info) and ask WMDA to set up the webpages of this cord blood bank.

DR with CBU Donor Registry that lists both donors and cords	• Contact details • Operational information • Regulatory survey* • Documents (e. g. price lists) • Personal data *only available for WMDA members after login*	• Personal data can be added or deleted by the organisation profile administrator by filling in a request form. The contact details are updated automatically from the WMDA address database. • The operational information, regulatory requirements information and (member) documents are updated by the organisation profile administrator
DC Donor Centre Definition as set out in WMDA Standards (version January 1, 2020): An organisation responsible for donor recruitment, consenting, testing, management and the collection of donor personal, genetic, medical data.	• Contact details • Operational information	
TC Transplant Centre		

Data available

* ***Regulatory Questionnaire import practices EU Member States***

The EU has a common set of standards to ensure the quality and safety of:

- *Organs for transplantation, and*
- *tissues and cells for human use, including reproductive cells*

For EU registries to import cells into a EU Member State, the EU Member States must be able to ensure that cells imported under their licences meet the quality and safety requirements set out in the EU tissues and cells Directive 2004/23/EC and its implementing Directives, including 2006 /17/EC and 2006/86/EC.

This questionnaire will be sent out in 2019.

Roles Defined

Roles defined

- Listing organisations or donor centres (if approved by the registry) have an ION (Issuing Organisation Number): a globally unique identifier, as issued by ICCBBA, which maintains the official list of ION's.
- All other organisations without an ION are referenced by their WO number, as used by the WMDA internally.
